Sisters of Charity Dairy Barn

2025 \$52,952 Preservation Plan

Grant Recipient: Park Avenue Foundations, Inc.

Location: Florham Park Boro.

The brick Three-End or Three Gabled Dairy Barn structure was built in 1894 and functioned as an agricultural facility. It was renovated in 1992-1994 to serve as a social dining club and event space. Additions were constructed in 2019. The barn is listed on the NJ Register of Historic Places.

The 2025 grant will prepare a Preservation Plan to guide the preservation, repair, and maintenance of the building.
