Nicholas Vreeland Out Kitchen

2004	\$35,200	Exterior/Structural
2005	\$2,400	Register Nomination
2005	\$41,050	Interior

Grant Recipient: Montville Township

Location: Montville Twp.

The c. 1780, Dutch, stone out kitchen demonstrates the early domestic cooking traditions during colonial settlement. It is one of the last detached Dutch stone out kitchens in Morris County. The Township intends to restore the former out kitchen and utilize it as a museum.

The Township has completed the restoration of the Out Kitchen, with assistance from 2004 and 2005 grants, including the rebuilding of the roof, chimney and the northwest corner stone wall, stone repointing and cleaning, restoration of firebox, oven, hearth, and historic metalwork, and the repair/ replacement of wood window and door.

A separate non-construction grant has assisted with the preparation of a historic Register nomination for the property's cultural landscape including saw mill pond, and cemetery.
