Washington Valley Schoolhouse

2009 \$12,128 Preservation Plan

Grant Recipient: Morris School District

Location: Morris Twp.

This one-room brick schoolhouse was constructed in 1869. It features a pair of entrance doors and a cupola. It is individually listed on the National and New Jersey Registers and as a contributing resource to the Washington Valley Historic District.

The 2009 grant provided for the preparation of a Preservation Plan to guide future work at the Schoolhouse.
