Middle Valley Community Center

2004 \$82,368 Stabilization

Grant Recipient: Middle Valley Community Center, Inc.

Location: Washington Twp.

The 1794 building has been used as a post office and general store, a space for public meetings, a social hall, church, school, circuit court room, and a community center. It is a contributing resource to the Middle Valley Historic District, listed on both the National and New Jersey Registers.

The 2004 grant provided for the stabilization of the front entrance, bell tower and porch; shoring of the foundation and sills, and interior plaster repairs as well as associated architectural and engineering fees.
