Mount Kemble Home

2013	\$40,416	Preservation Plan
2014	\$45,668	Construction Documents

Grant Recipient: Homeless Solutions, Inc.

Location: Morristown Town

The building was constructed c. 1826 in the Federal Style and was later remodeled (1880) and expanded (1905). It was founded as the "Home for Destitute Women" and remains a house for elderly ladies. The building is a contributing resource in Register-listed Morristown Historic District.

The 2013 grant completed a Preservation Plan with structural and MEP evaluation.

A 2014 grant completed Construction Documents related to the repair of exterior envelope and structure.
