Mount Freedom Presbyterian Church

2025 \$30,400 Preservation Plan

2026 \$52,480 Construction Documents

Grant Recipient: Faithfulness Christian Church

Location: Randolph Twp.

The Mount Freedom Presbyterian Church was constructed in 1823 in the Greek Revival style and expanded in 1868. Expanded in 1868, the building is the second-oldest religious building in Randolph. The church is listed on the NJ and National Registers.

The 2025 grant prepared a Preservation Plan to guide the preservation, repair, and maintenance of the church and parsonage buildings.

The 2026 grant will complete Construction Documents for exterior rehabilitation of the Parsonage and the Church, including structural work at Parsonage and roof replacement at the Church.
