2014	\$23,640	Construction Documents
2014	\$297,512	Roof Restoration
2015	\$219,168	Phase II Exterior Restoration
2016	\$268,360	Phase IIB Exterior Restoration
2017	\$283,560	Phase IIC Exterior Restoration

Grant Recipient: Presbyterian Church in Morristown

Location: Morristown Town

The 1878 South Street Presbyterian Church / Parish House was in the Romanesque Revival style and designed by the architect J. Cleveland Cady. The site is a key contributing feature of the Morristown Historic District which is listed on the State and National Registers of Historic Places.

The 2014 grant provided for work on roof, masonry, and rebuilding of bell tower steps. The 2015 grant provided for Phase II Exterior Restoration including slate roof, bell tower louvers and wood dormers.

The 2016 grant assisted with slate roof replacement at the south side of the main roof and the large dormer.

The 2017 grant provided for exterior restoration including the replacement of the bell tower roof.
