Boonton Train Trestle

2019	\$26,880	Conditions Assessment
2020	\$36,800	Engineering Assessment
2021	\$24,000	Construction Documents

Grant Recipient: Boonton Town

Location: Boonton Town

The c.1860's Boonton Train Trestle, spanning the Rockaway River, was constructed to facilitate the movement of raw materials and finished products from the Boonton Iron Works. It was modified in the early 20th century and has a 2019 Certificate of Eligibility for the New Jersey Register.

The 2019 grant completed a Conditions Assessment and Recommendations Plan, including a feasibility study.

The 2020 grant completed an Engineering Assessment including a member-by-member conditions assessment, schematic design drawings, and repair cost estimate update.

The 2021 grant will provide for completion of Construction Documents related to repair of steel trestle members, masonry repairs and repointing, and design for ADA approach from both sides of the trestle.
