2005	\$5,000	Register Nomination
2005	\$17,196	ADA Ramp
2007	\$72,000	Exterior
2008	\$125,000	Interior Restoration
2026	\$5,000	Preservation Plan

Grant Recipient: Montville Township Historical Society & Museum, Inc.

Location: Montville Twp.

The Montville Schoolhouse, built about 1867, is individually listed in the New Jersey and National Registers of Historic Places and associated with one of the important 19th-century functions of the village of Montville, and as a well-preserved example of a post-Civil War one-room schoolhouse. It is now a museum operated by the Montville Historical Society.

The 2005 construction grant provided for an ADA ramp. A separate non-construction grant will provide for the preparation of a nomination of the Schoolhouse to the New Jersey Register of Historic Places.

The 2007 grant provided for exterior restoration including the cupola.

The 2008 grant assisted with the repair of masonry walls and chimney; restoration and repainting of interior walls, windows, doors, trim and interior; electrical upgrade.

The 2026 grant will prepare a Preservation Plan Update.
